

Meeting Highlights and Action Plan

Agenda Item/ Topic	Key Points	Action Items
Review CHA/CHIP timelines YRBS	CHA: Community Health Assessment CHIP: Community Health Improvement Plan Group to consider we will be able to set new SMART goals that will reflect the results of the new CHA/CHIP in YRBS: results are just out	Lori will attach YRBS w/ task force minutes
Review goal 1-how to proceed	Still a need to identify what the schools are providing. PP has expressed some hesitation. Is there value in publishing that information and if so, what is a reasonable approach. Group suggests: 1. do self-assessment by Task Force and make a group decision ensuring all are comfortable with how and where info is presented. 2. Is it published without specific identifiers?	Nikki(FYI) was welcomed to the group and will send the completed grid to Lori Lori will follow-up w/ providers.
Review new brochure	A few minor corrections on the grid were identified.	Diane will make those corrections
Review proposed websites	Consensus on the following websites: Centers for Disease Control and Prevention; Office on Women's Health; Ohio HIV/STI; STD Wizard; Amaze; Office on Girls' Health; Kids Health. In addition, the participating agencies/work group websites are on document.	Diane to make adjustments and CHF will sponsor printing.
Review outreach logs	Group identified places missing from outreach list. High Schools: add Cliff Park; Physicians: add urgent care clinics; Organizations: add men's services to McKinley Hall, OIC, Warder Library, Clark State and Wittenberg	Lori will make adjustments to outreach log.
