

## Clark County COVID-19 Outbreaks

- Names of nursing homes and long term care facilities are provided because of the Director of Public Health’s order which can be found here <https://coronavirus.ohio.gov/static/publicorders/SignedNursingHomeOrder-041520.pdf>
- Names of other locations of outbreaks will not be released unless the entity releases the information themselves or CCCHD deems there was a threat to the public, in which case an announcement will be made.
- \*Cases listed include ALL cases associated with an outbreak. Some of these cases may not be Clark County residents and therefor will not be counted in the “Confirmed” or “Probable” numbers.
