

Clark County Long Term Care Facilities

Updated: 10/14/2020

- Names of nursing homes and long term care facilities are provided because of the Director of Public Health’s order which can be found here:
<https://coronavirus.ohio.gov/static/publicorders/SignedNursingHomeOrder-041520.pdf>
- Names of other locations of outbreaks will not be released unless the entity releases the information themselves or CCCHD deems there was a threat to the public, in which case an announcement will be made.
- Cases listed include ALL cases associated with the long-term care facility. Some of these cases may not be Clark County residents and therefor will not be counted in the “Confirmed” or “Probable” numbers.

Facility Name	Current # of Resident Cases	Cumulative # of Resident Cases	Current # of Staff Cases	Cumulative # of Staff Cases
