

## Clark County Long Term Care Facilities

Updated: 2/17/2021

- Names of nursing homes and long term care facilities are provided because of the Director of Public Health's order which can be found here: <https://coronavirus.ohio.gov/static/publicorders/SignedNursingHomeOrder-041520.pdf>
- Names of other locations of outbreaks will not be released unless the entity releases the information themselves or CCCHD deems there was a threat to the public, in which case an announcement will be made.
- Cases listed include ALL cases associated with the long-term care facility. Some of these cases may not be Clark County residents and therefore will not be counted in the "Confirmed" or "Probable" numbers.

| Facility Name                                | Current # of Resident Cases | Cumulative # of Resident Cases | Current # of Staff Cases | Cumulative # of Staff Cases |
|--|-----------------------------|--------------------------------|--------------------------|-----------------------------|
| Allen View Healthcare Center                 | 0                           | 101                            | 0                        | 46                          |
| Arbors at Springfield                        | 0                           | 26                             | 0                        | 28                          |
| Brookdale Buck Creek                         | 0                           | 15                             | 0                        | 7                           |
