10-23-2020 Honey Creek Presbyterian Church (annex building) 212 W. Jefferson St., New Carlisle 10am to 12pm

CCCHD carries quadrivalent vaccine for ages 6 months and older.
High Dose quadrivalent vaccine is also available for ages 65 years and older.

CCCHD will not have Nasal Mist influenza vaccine for the 2021-2022 flu season.

**Cash price for
standard dose quadrivalent flu shots is
\$39.75**

This dose not include "High Dose" or Flu-Blok vaccines

We encourage you to review your insurance coverage prior to your visit.

****Please bring all insurance cards for payment evaluation and processing****

*CCCHD has partnered with The Local Public Health Services Collaborative (LPHSC).
Unfortunately, CCCHD or LPHSC may not be an in-network provider and may be unable to bill.
We are unable to take credit cards at our off-site clinics.*

*Ohio Department of Health also provides a portion of our vaccine supply for eligible children.
Anyone eligible for STATE supplied flu vaccine will not be denied based on inability to pay.
See www.ccchd.com or call (937) 390-5600 for more details.*
