

Diabetic Health Resource
Guide

For Clark & Champaign
Counties

Produced by
Clark County Combined Health
District

How to Use This Guide

This Guide is for all Clark and
Champaign County residents.

As a diabetic, family member
of a diabetic, friend of a
diabetic or agency referring a
diabetic this guide is here to
assist you. The intent is to
answer your questions, direct
you to a source of assistance,
doctor, organization or agency
available to help those in need
of information and assistance
with diabetes. This guide is
divided into sections to better
assist you in your search. The
back portion offers an
alphabetical index of resource
names.

A link to this guide may be
found at the Clark County
Combined Health District
