

Meeting Highlights and Action Plan

Agenda Item/ Topic	Key Points	Action Items	Responsible Party/ Timeline
Identifying priority areas	<ul style="list-style-type: none"> Reviewed with the team the goals from the last CHA and the task force has been meeting regularly completing the diverse task of compiling multiple collaborative agencies and completing the prenatal grid to meet the need of early first trimester prenatal care. This grid has been disseminated widely in the community addressing this issue. We then discussed the second goal with the intent to look at the comprehensive sex ed program that are currently in place and identifying gaps in service and increasing the curriculum as well as starting the curriculum sooner in the school system. We completed introductions and let the team know of the next upcoming meeting on Monday February the 8th. 	Reviewed all previous goals and actions steps that are left to complete via the new data	All task force members
Identified priority issues per the members of the group	<ul style="list-style-type: none"> Latino population- fastest growing population regarding teen pregnancy LARC – Discussion around long acting birth control practices, PP has a teen clinic, increasing the social media information Fatherhood- Absenteeism of father and the impact of generational issues- breaking the cycle as well as involving curriculum around this topic Preventative Programming- Needs to increase , not enough programs in place Educational component for parents- How to have conversations that address issues to empower parents to speak about this with their kids and to receive the education necessary to better educate themselves and their kids. Identifying types of curriculum- Increasing social media, not just week long classes, ongoing Marketing piece- How do we get the message out there? Reviewed National Campaign on Teen pregnancy use what is already out there. Barriers due to the state mandates being different in every school and every school providing their own curriculum. We looked at the state identified issues- had a discussing around those issues. 	Prioritized these issues as possible areas to start working on identifying three areas this task force wants to head in.	All task force members
Discussed next meeting	<ul style="list-style-type: none"> Next meeting set for Monday January the 8th at 130 at the WIC office. Please encourage all team members to attend and participate in continuing the efforts of this task force.
