

Meeting Highlights and Action Plan

Topic	Key Points	Action Items <i>Including Responsible Party/Timeline if applicable</i>
Attendance	<ul style="list-style-type: none"> • Lindsey Hardacre, Sandy Miller, Greta Mayer, Nick Heimlich, Leslie Crew, Sue Fralick 	
Establishments	<ul style="list-style-type: none"> • 3 focus groups completed so far – Cindy Price, Greta, Gabe <ul style="list-style-type: none"> ○ Looking into conducting at least one more with the Cancer Center 	
Objectives	<ul style="list-style-type: none"> • Target individuals who are at risk <ul style="list-style-type: none"> ○ How is the task force going to track where the surveys are from? • Provide Gatekeepers to where they are present who can detect and refer those who are at risk. <ul style="list-style-type: none"> ○ Questions: Who would they give them to? What do they do for follow up? • Target program information that resulted in the rise of the number amount of people who took the survey. <ul style="list-style-type: none"> ○ Distribute printed materials to a variety of locations ○ Increase the marketing and participation of the survey • Seek an evidence based practice or process that is going to contribute information to a decision about an evidence based practice. 	
Task Force Discussion	<ul style="list-style-type: none"> • G. Mayer mentioned that last meeting the task force had talked about looking into other areas to survey men for a better cross-section in our community. <ul style="list-style-type: none"> ○ N. Heimlich mentioned if we were to do a broader survey, where are we going to take that survey or where are we going to get this survey data from? (Fair is an option) • S. Fralick brought the Trauma Survey (20 questions) and the PHQ9 Survey (used in physician’s offices) and task force reviewed. <ul style="list-style-type: none"> ○ What is the assessment of the value of length, complexity, likelihood it will be completed, etc.? • PHQ9 survey used in multiple locations around Clark County. <ul style="list-style-type: none"> ○ Questions: Is there anyone who follows up with this survey? Is there someone in the community who can have a direct conversation with the client after taking the survey? Can Mental Health train different facilities on how to score the survey? • Possible survey sources: UCLA, BRFF, Trauma Survey PHQ9 	<ul style="list-style-type: none"> • Greta, Cindy, and Gabe to conduct a focus group at Cancer Center. • S. Fralick to update and change the Trauma Survey with contact information in the case someone would need contact information. • Gabe to pull data from BRFF

Task Force Discussion cont.	<ul style="list-style-type: none"> • S. Fralick handed out HANDS survey Screening Survey • Task force discussed the original goal for Mental Health 	<ul style="list-style-type: none"> • N. Heimlich to re-write original goal
Action Items	<ul style="list-style-type: none"> • Develop a Gatekeeper card • Gather data on past 4 years of depression screening results • Collect referral source data at Mental Health intake • Create a referral tool for area physician insurance types accepted 	
Next Meeting: June 14, 2016 3:30pm @CCCHD
