Introductions		
Information sheet for brochure	2 nd Rough Draft – The committee looked over the rough draft and made a few more suggestions. Sherry Nelson agreed to get the numbers regarding the number of babies born annually at the hospital so we can get an idea of the percentage of babies that test positive overall. We added to the myths busters using zip codes. Add “heroin busters!” We need to add information about addiction being a brain illness and you are not alone.	Wendy
Conversation for Change	December 15 th at Many Pathways (50 West High Street) – Huma shared that we need more partners and resources for the C4C. Our goal is to make resources available on the spot. Kent Youngman, from RHC agreed to attend, WSU will give gift cards for \$10. Suggestions for other resources include Mercy Reach, Police/Fire, Tony Bailey, DJFS, and housing. Faith based communities was also suggested	Huma
Coalition Website	Carey McKee shared her thoughts about developing the website. She reviewed the goals and will be adding links related to support systems, data, and what’s going on in the community. She will put the mission on the front page. Kristina suggested that the website be mobile friendly with a Facebook connection. Carey is making a donation to keep the website running. Carey and her son Doug will present it to the coalition as they get closer to completion. Sherry provided Carey with a list of community service resources.	Carey
Lunch and Learns	Speedway Corporate Office- waiting for reschedule - Wittenberg -	Wendy/Sheri
Death Review Team update – Coroner’s Report	Dr. Marsh shared that 114 deaths have been reviewed as of this date. We discussed ways to present the data to better convey our messages.	Dr. Marsh
