What is ServSafe™ Managers? (Level 2)

ServSafe™ Managers has become the industry standard in food safety training and is accepted in almost all United States jurisdictions that require employee certification.

The 16-hour ServSafe™ Managers program provides accurate, up-to-date information for all levels of employees on all aspects of handling food, from receiving and storing to preparing and serving.

This course empowers you to protect against foodborne illness outbreaks, minimize liability risks and improve food quality.

Upon successful completion of the course and exam, participants receive a Certificate from the National Restaurant Association and Certification in Food Protection from the Ohio Department of Health.

Springview Government Center
Ground Level Meeting Room
(Near Board of Election)
3130 East Main Street
Springfield, OH 45505

Participant **MUST** attend 2 consecutive week sessions to be eligible for the certification exam given at the end of the second day.

Person In Charge Food Safety Training? (Level 1)

Employee Food Safety Training is a 4-hour basic food safety education for food service workers (such as servers, cooks, deli workers, dishwashers, daycare workers, cafeteria and food stand workers) who do not need certification but need basic safe food handling knowledge and skills.

The Employee Food Safety Training enhances employee understanding of major food safety principles, including time and temperature abuse, cross-contamination, and personal hygiene. The program includes hands-on activities, lots of class participation and a Certificate of Completion.
